

Juan Guerrero

Senior Vice President, Chief Global Supply Chain Officer

Juan Guerrero is the Senior Vice President and Chief Global Supply Chain Officer of Bloomin' Brands.

He is responsible for overseeing Bloomin' Brands global supply chain function, including sourcing strategies for new markets, leveraging networks in existing markets and optimizing productivity.

Mr. Guerrero has extensive international experience overseeing the supply chain operations for global companies. After several years as a consultant with Mars & Co., an international strategy consulting firm, he moved into strategic sourcing and later a supply chain role for Yum! Brands. He also worked for Starbucks Coffee Company in various leadership positions, including Senior Vice President of Global Logistics and International Supply Chain.

Prior to joining Bloomin' Brands, Mr. Guerrero was the Senior Vice President of Supply Chain, and most recently, Executive Vice President of North America Retail, for Office Depot.

Mr. Guerrero has a Bachelor of Science in engineering from Massachusetts Institute of Technology. He is an Advisory Board Member to several research and education programs.
