

The image shows a restaurant setting with a focus on Italian food. In the foreground, a white plate holds a stack of lasagna topped with red sauce and melted cheese, with a silver fork resting on it. To the right, another plate shows a breaded fried item. In the background, a person's hand is seen holding a dark wine glass with the Carrabba's logo on it. The overall scene is dimly lit, creating a warm and inviting atmosphere. The Carrabba's logo is centered in the image in a white, bold, sans-serif font.

CARRABBA'S
ITALIAN GRILL®

About Carrabba's

Our story begins in Sicily, Italy, where Johnny Carrabba's great-grandparents' love for food and handmade flavor became a family tradition.

After immigrating to Bryan, Texas in the early 1900s, the Carrabba-Mandola family grew, with two members becoming ambitious to share their family's food with the world.

In 1986, Johnny Carrabba III and his uncle, Damian Mandola, opened their first neighborhood restaurant in Houston. The concept was simple – a warm and inviting atmosphere, big bowls of pasta, and an open kitchen where they would make their family recipes for other families to enjoy together.

This became the place for Italian comfort food made by hand, with a whole lot of heart.

Food Made with Love

Carrabba's is best known for its wood-fire grill, inspired by the bold flavors of Italy. Favorites like the Chicken Bryan are finished with Mr. C's Grill Baste, adding depth, tenderness, and unforgettable flavor to every bite. House specialties also include signature pastas, such as the Fettuccine Weesie, sautéed to order and paired with sauces made fresh daily.

Traditional dishes such as Calamari, Lasagne, Spaghetti and Meatballs highlight recipes passed down from generation to generation. Tune in every season for exclusive, limited-time menus featuring flavorful recipes inspired by the season.

There are menus available for children under 10 and gluten-friendly options. Carrabba's also offers online ordering and Carside Carryout with care, along with catering options.
