

About

Carrabba's Italian Grill® was founded in Houston, TX by Johnny Carrabba and Damian Mandola in December of 1986, who set out to create a restaurant experience where guests felt like family in their own home. Both Johnny and Damian belong to one of Houston's most successful restaurant families, and many of the recipes on our menu are those of Damian's mother Grace and sister Rose. Damian travels the world in search of the best ingredients and most unique Italian dishes so Carrabba's® food tastes authentic and delicious.

Menu

Carrabba's is best known for its wood-fire grill, inspired by the many tastes of Italy. Specialty dishes like Chicken Bryan, Pollo Rosa Maria and Chicken Marsala are enhanced by Mr. C's grill baste and the smoky flavor of the wood grill. Additional house specialties include signature pastas like the Linguine Pescatore and Fettuccine Weesie that are sautéed to order with sauces made from scratch daily, adding more flavor to every bite. Traditional dishes such as Calamari, Lasagne and Rigatoni Campagnolo highlight recipes passed down from generation to generation. Tune in every season for exclusive limited time menus featuring flavorful recipes inspired by the season.

Carrabba's has menus available for children under 10 and gluten-friendly options. Carrabba's also offers online ordering and curbside carryout with care; catering options include Perfect Bundles, Individually Packaged Entrées, Party Pans, and more.
