PRIME STEAKHOUSE & WINE BAR

## About Fleming's

In 1998, two steak connoisseurs embarked on a journey to create a steakhouse unlike any other. We've stayed true to our founders' visions and values—and of course our commitment to bringing our guests unparalleled steak and wine experiences. Discover how we continue to set the standard for steak, wine, and service across our 60+ locations.

## Our Promise

Our presence honors relationships. Protecting the time, space, and emotional room people need to connect. Taking care of every detail so Guests can focus on giving the people that matter the undivided attention they deserve. Every plate, every pour, every gesture serves one idea: to elevate every gathering with the grace it's worthy of and to make every relationship feel truly honored.

## Our Purpose

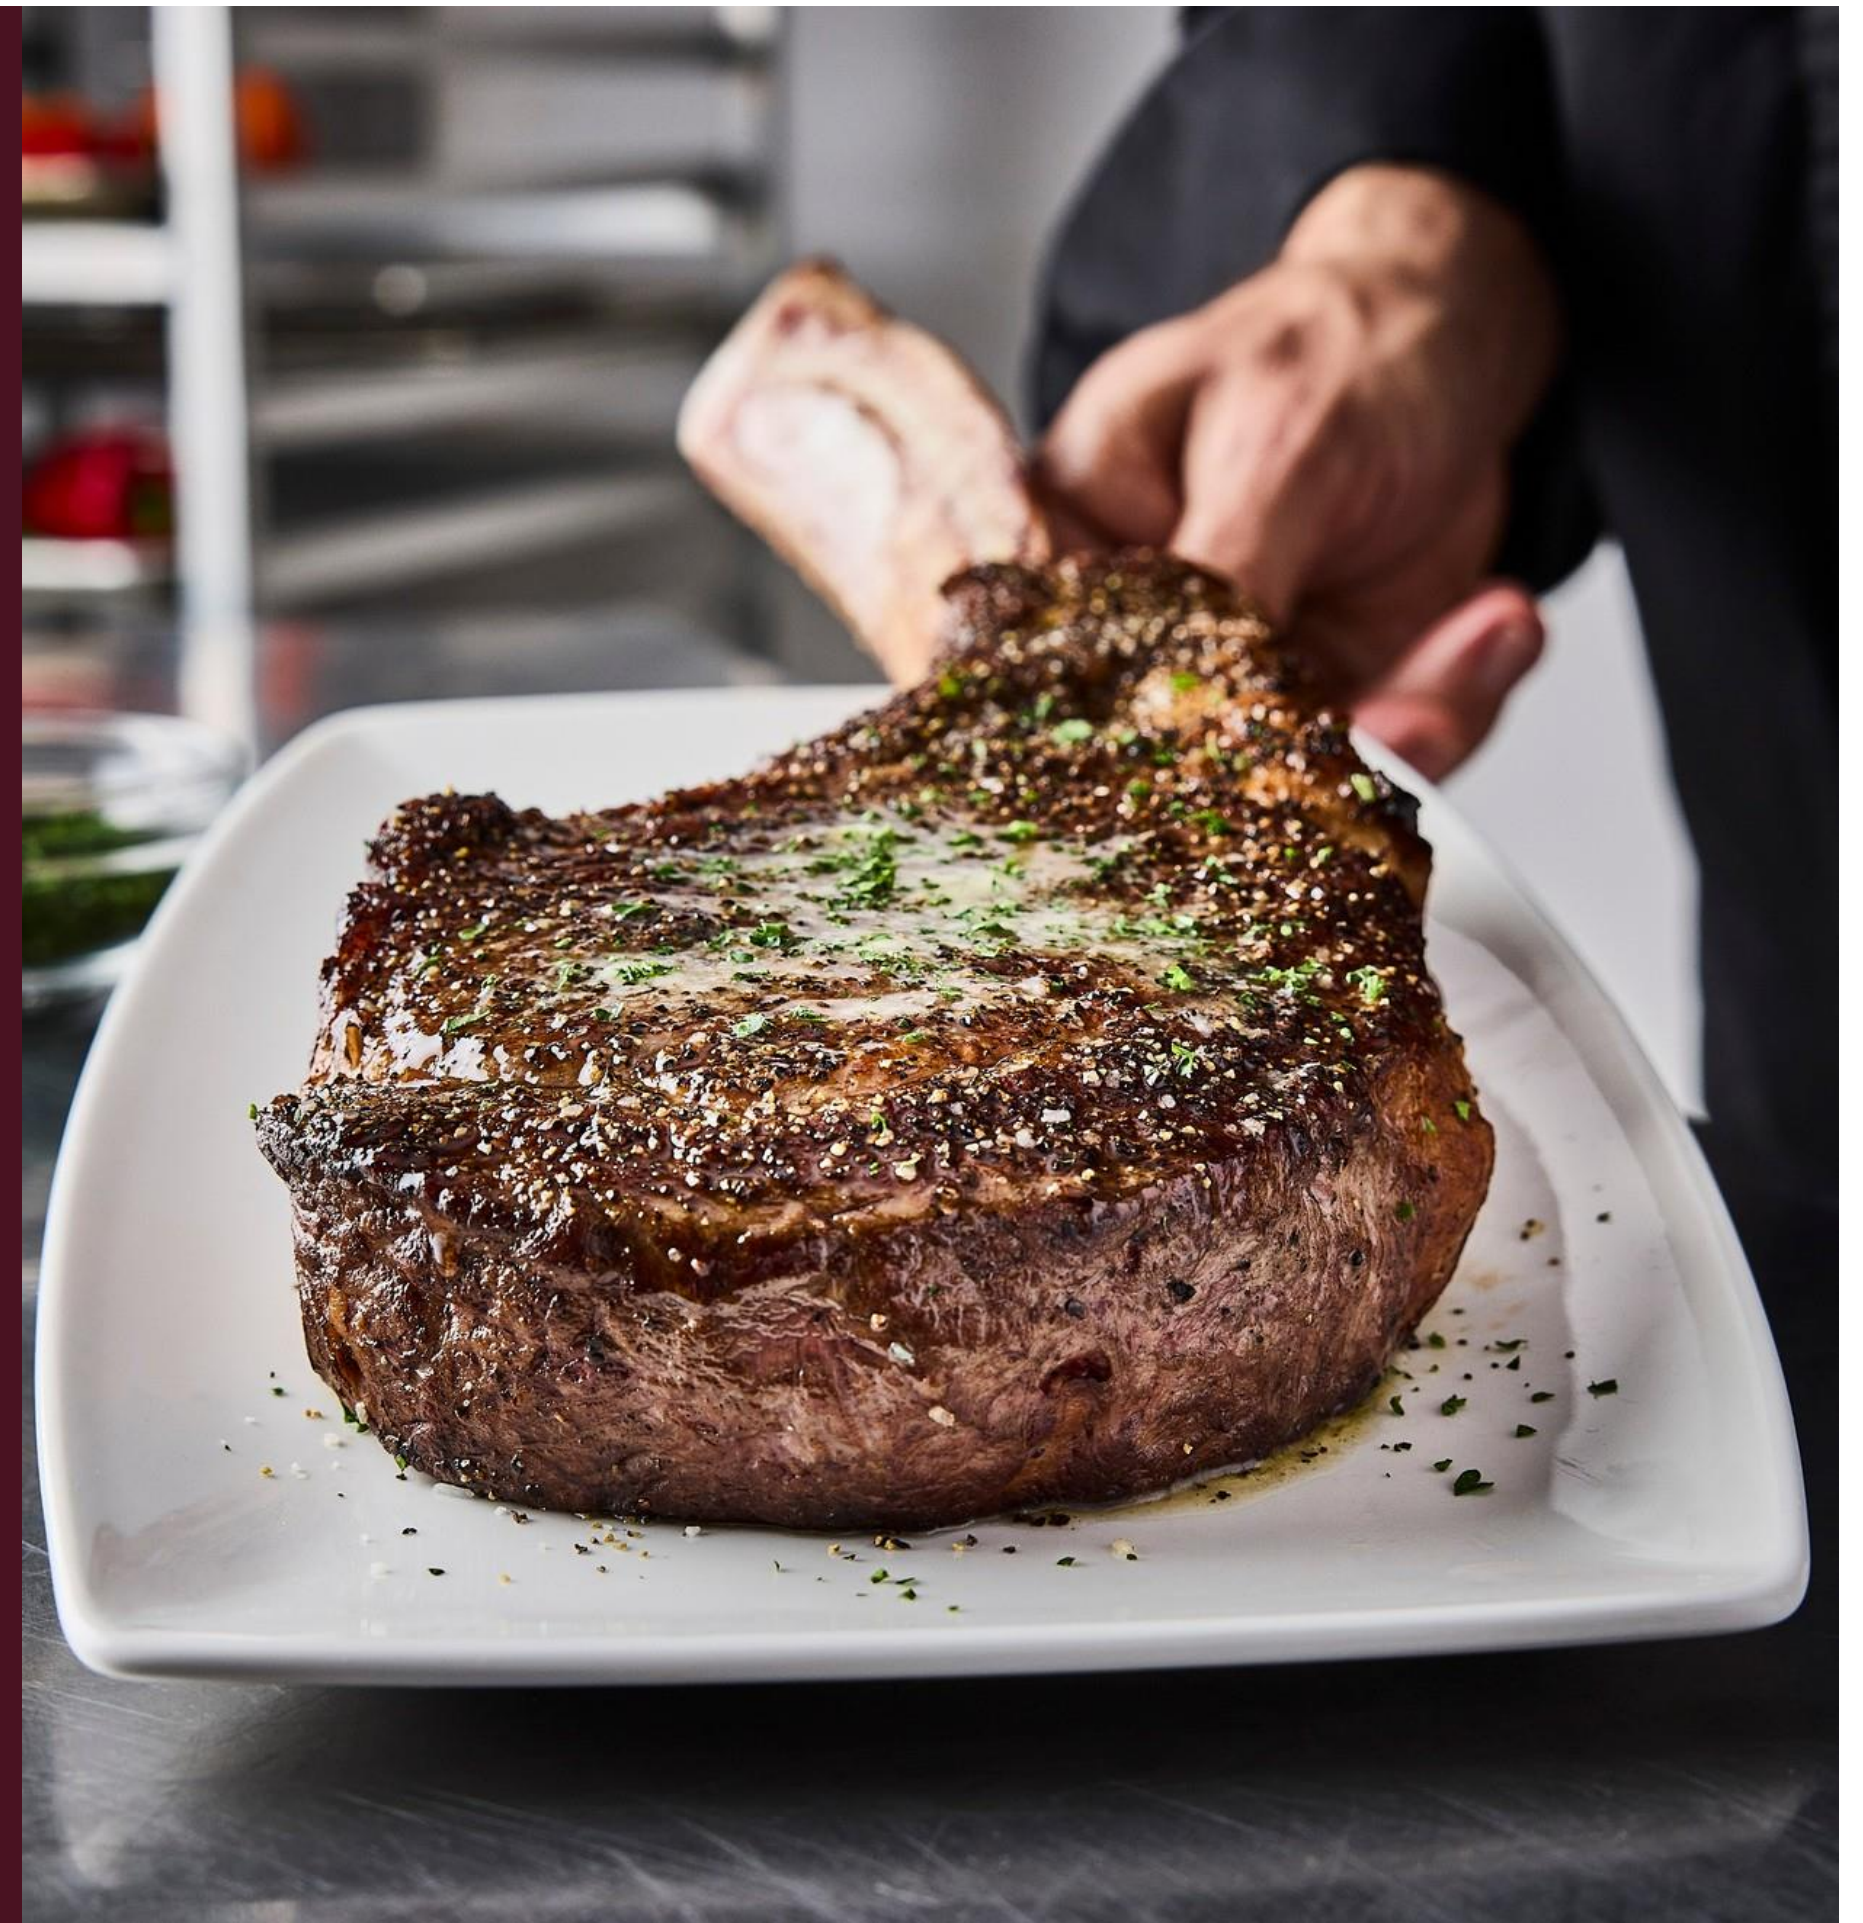

Shaped by an unwavering commitment to excellence—reflected through quality, service and attention to detail. Our craft begins with prime steak and exceptional wine, but what defines us is the way each experience is refined through thoughtful ritual: the temperature of the plate, the pacing of a course, the precision of a pour, the ease with which a need is met before it's spoken. These details are our language of care, turning a meal into a moment and a gathering into something meaningful for every Guest.

## Prime Steak

We proudly serve the top 10% of Prime beef, a testament to our commitment to quality. We offer both dry-aged and wet-aged selections to provide a deeper variety of profiles for our Guests. Each steak is masterfully broiled at 1600 degrees for a flawless crust and unmatched flavor.

From Prime Bone-In Ribeye and Prime Tomahawk to dry-aged specialties and rare cuts like A5 Japanese Wagyu and Australian Carrara Wagyu, our curated menu delivers an exceptional expression of steak at its finest.

## Storied Wines

We have been richly rooted in wine since our founding in 1998 in Newport Beach, California. Our wine list offers the finest opportunities for discovery in varietals, regions, and prestigious growers near and far. The wines we serve have a story to be told. Let us take you on a journey, one sip at a time.

## Stellar Service

At the core of our guest experience is a service philosophy defined by authenticity, warmth, and sophistication. Our team is expertly trained to guide guests through every aspect of the dining journey—from curated steak selections and thoughtful wine pairings to seamless timing and presentation. Hospitality is both attentive and intuitive, with a focus on personalization, seamless coordination, and refined touches that elevate each visit.

Whether it's a perfectly timed course, a knowledgeable tableside explanation, or a memorable final impression, every detail is thoughtfully executed to create a sense of genuine care and effortless luxury.

## Events & Catering

From intimate private dinners to large-scale business functions and milestone celebrations, each event is customized with coursed menus for lunch and dinner featuring hors d'oeuvres, Prime steaks, premium seafood, and expertly curated wines. Elegant private dining spaces, modern presentation capabilities, and seamless coordination ensure a polished yet inviting atmosphere.

We also extend our signature flavors beyond the restaurant through Catering— with Sandwich Platters, Salads, and Entrées for office and off-site events. Our dedicated Experience Specialists guide every detail to make every moment of their experience memorable.
