Here you'll find a passion for steak and wine, reflected in an exceptional menu of hand-cut steaks, an award-winning wine program, and seasonal menu selections showcasing locally-inspired chef dishes. Founded in 1998, today there are 68 restaurants nationwide. Fleming's® is the recipient of numerous prestigious awards, including Wine Spectator Magazine's Award of Excellence.

## Steak Expertise

'Prime' is our middle name for a reason! Fleming's has a talented Chef Partner at each location and features USDA Prime corn-fed beef, aged to perfection for flavor and texture. The restaurant offers a wide selection of dry-aged and wet-aged sizes and cuts, ranging from Petite Filet Mignon to Prime Bone-In Ribeye. Fleming's offers classically prepared steak with kosher salt and pepper seasoning then broiled at 1,600 degrees.

## Ambiance

The atmosphere of Fleming's is stylish and lively with background music that sets the tone for a first-rate dining experience. The ambiance is enhanced by an open dining room built around an exhibition kitchen and expansive bar. Warm and inviting, the setting is refined and casually elegant.

## Private Dining

All Fleming's locations have private dining rooms that can accommodate breakfast, lunch, cocktail reception, or dinner events with party sizes ranging from 8 – 120 guests, in addition to full restaurant buy-outs options available. Whether hosting a small social gathering or large business function, Fleming's will custom-tailor an event worthy of the occasion. It's the personal touches that make an event special, and no one understands this better than our Private Dining Directors, Fleming's onsite events manager who coordinates the details for every event. They ensure that every detail — from the food and drinks to the ambiance and timing — is exactly right. Guests can choose from a range of thoughtfully crafted lunch, dinner, or hors d'oeuvre menus to ensure their private event is a resounding success or customize their own menu to suit their budget and occasion. ## Founders

Two highly experienced restaurateurs had a vision of designing a steakhouse that would deliver a stylish and contemporary dining experience. Fleming's was created from this vision by Paul Fleming, founder of P.F. Chang's China Bistro, and Bill Allen III, a leading restaurant and hospitality executive. With a focus on delivering a dining experience that is exciting and elegant, the first restaurant opened in Newport Beach, Calif. in 1998. A partnership steeped in a similarity of principles and business beliefs was developed with Bloomin' Brands, Inc. in 1999 and the brand has now grown to 68 locations across the U.S.
