Founders

In the late 1980s, four friends – Chris Sullivan, Robert Basham, Tim Gannon and Trudy Cooper – had the dream of opening a casual-dining restaurant that offered quality food and exceptional service at a reasonable price. They conceived an Australian theme with a “No rules. Just right.®” mindset to create a fun, friendly dining experience that would differentiate themselves from other dining concepts. In March 1988, they opened the first Outback Steakhouse in Tampa, Florida.
