

ABOUT THE COMPANY

Bloomin' Brands, Inc. is a company of restaurants, not a restaurant company. All of our brands were founded by people who have a genuine passion for food and a desire to share hospitality with others.

Headquartered in Tampa, Florida, Bloomin' Brands, Inc. is one of the world's largest casual dining companies with approximately 100,000 Team Members and close to 1,500 restaurants throughout 48 states, Puerto Rico, Guam and 22 countries.

HISTORY

In the late 1980s, four friends, who were all veterans of the hospitality industry, had the dream of opening their own restaurant. They wanted a place with a casual atmosphere and a strong focus on quality food and service.

To differentiate themselves, they decided an Australian theme fit the relaxed, friendly and fun image they wanted for their new restaurant. With a "No Rules, Just Right" mentality that takes food very seriously, but without taking themselves too seriously, and operating under the premise that nothing stands in the way of pleasing the customer, they opened their first Outback Steakhouse restaurant in March 1988 in Tampa, Florida. Outback Steakhouse quickly became known as a place that served a great steak at a reasonable price by people who genuinely cared about the comfort, well-being and joy of their guests.

Since then, the company has grown to include Carrabba's Italian Grill, Bonefish Grill and Fleming's Prime Steakhouse & Wine Bar. Together, these unique, founder-inspired restaurants, that deliver exceptional quality and welcoming hospitality, make up Bloomin' Brands, Inc.

In 2012, Bloomin' Brands, Inc. became a publicly traded company on NASDAQ under the ticker symbol "BLMN."
